

# ERCIM Social Network Analysis (SNA) Working Group Meeting, 2:30 – 5:30pm, 5th Nov. 09, CNR, Pisa, Italy

## Meeting Minutes:

### Kick-off: 2:30pm

- Short Presentation by Derek Greene on the latest research in SNA conducted by the Machine Learning Group & Clique from UCD.
  - *Sentiment Analysis by Derek Greene*
- Short Member Presentations on SNA research in their University's group
  - *Algorithms and Computational Mathematics by Marco Pellegrini*
  - *IMONET by Paolo Santi*
  - *Social Networking Research @ LSIR by Wojciech Galuba*
- Agree on a proposal to target - **Marie Curie Initial Training Networks (ITN)** (Deadline: 22nd December)
  - *FP7-MC-ITN by Prag Sharma*
- Propose & agree topics to collaborate on within the SNA space
  - *Algorithmic Aspects of Network Data Analysis by Pádraig Cunningham*
- Next steps
- Finish up...

### Summary Points:

- The SNA Working Group will jointly respond to the call for proposals for the Multi-Site Marie Curie Initial Training Networks funding programme with a deadline on 22<sup>nd</sup> of December (Basic information/other links for the Marie Curie ITN Programme can be obtained at: [http://ec.europa.eu/research/fp7/understanding/marie-curieinbrief/home\\_en.html](http://ec.europa.eu/research/fp7/understanding/marie-curieinbrief/home_en.html))
- The Proposal Topic will be in the area of Algorithmic Aspects of Network Data Analysis.
- SNA members that would like to get involved in the proposal should contact Prag Sharma (prag.sharma@ucd.ie ) immediately.
